4. PITCHING:

- A. In an effort to protect the pitcher's arms Pee Wee pitchers will be controlled by pitch count instead of innings pitched.
- B. No player shall pitch more than 80 pitches in any game.

EXCEPTION: If a pitcher reaches 80 pitches mid-batter, he/she may finish pitching to the batter that he/she is facing.

- C. Pitchers must have a full twenty-four (24) hours rest for 0 to 40 pitches pitched and a full forty-eight (48) hours rest for 41 to 80 pitches pitched in any given game. Please see current NFHS rule for start of rest period.
- D. Rules 4.A., 4.B. and 4.C are in effect for all games regardless of their nature (i.e. practice games, playoffs, exhibition games, games ruled "no contest" due to being called off and league games.) Violation of Rules 4.A, 4.B or 4.C will result in a forfeit of the game by the violating team and possible suspension of the coach.

5. PLAYING RULES:

- A. All eligible players on the roster

EXCEPTION: When an injury occurs to a player making it impossible for the player to continue to play as determined by the home plate umpire, the player may be substituted for by any player not in the game at the time of the injury, providing there are no legal subs available. Furthermore, if there are no legal subs available, then the opposing coach shall select the player to take the place of the injured player.

NOTE: Speed-up rule pertaining to pitcher and catcher may be utilized in all games. See High School rule book.

- B. Designated Batters are not allowed. A player must bat for himself unless injured as determined by Rule 5.A.
- C. Coaches warming up pitchers on the diamond are not required to wear a mask.

- D. All eligible players must play a minimum of two defensive innings. Failure to abide with this rule will result in forfeiture. Rosters should verify compliance with this rule (coach's signature on the roster will indicate concurrence that all eligible players have met requirements). Teams must bat their complete roster and if a player has to be taken out of the game due to an injury that spot is skipped in the batting order. All teams may have free substitution on defense also so long as all players have played a minimum of two defensive innings.

DEFINITIONS:

- 1. Roster – All active players present for the game.

NOTE: If the game is shortened due to Rule 6.D or 6.F then this rule will not apply.

6. LENGTH OF GAME:

- A. Games shall be six (6) innings. All games shall be limited to two (2) hours, i.e. no new innings will be started after the elapse of 2 hours except when a tie score exists.
- B. Every reasonable effort will be made by each coach to avoid unnecessary delays and to see that the game progresses as rapidly as possible (see speed-up rules).
- C. If a game has to be terminated by the umpire because of rain, darkness, etc., it is a regulation game at all levels if three and a half innings have been completed with the home team ahead or four full innings with the visiting team ahead.
- D. At the end of four innings one team is ahead by ten (10) runs, the game shall be terminated and the team ahead shall be declared the winner.
- E. If the game is started behind schedule infield practice will be limited to five minutes per team.

7. HOME TEAM RESPONSIBILITY:

- A. Each home team shall furnish the umpire with the two (2) new official Little League leather baseballs. If another ball is needed, the visiting team shall supply a serviceable ball. No ball may be marred.
- B. It is the home team coach's responsibility to notify the umpires of a change in schedule. A minimum of two (2) hours prior to the game if you do not wish to be charged for the cost of umpires.
- C. If umpires are not provided by KPAPWA, it is the home teams' responsibility to provide an umpire. Visiting teams may supply another umpire.

On March 7th 2018, the participating clubs of the Kitsap Peninsula Adult Pee Wee Association voted to adopt the USA Baseball Bat rules along with many other organizations across the nation. The adopted bat rules will go into effect this 2018 season. We have compiled this guide to help all of our participating families understand how the new rules apply to Pee Wees.

The following rules have been translated for Pee Wees from the approved USA Baseball rules established for Little League play.

All new bats that bear the USABat licensing mark will be permissible for play in games. This applies to both composite and alloy barrel bats. Solid one piece wood bats will be allowed for play with or without the USA Baseball mark. Multi-piece wood bats must have the USA Baseball mark to be approved for play. This includes two-piece wood bats, composite wood bats, laminated wood bats, bonded wood bats, bamboo bats, and any wood bat that could be defined as an 'experimental' design.

The use of BBCOR marked bats at the B String levels: *The performance of BBCOR and USA Baseball bats are nearly identical (within about 0.005 BBCOR). Since USA Baseball bats can be produced in a -3 drop weight, and would be nearly identical to BBCOR bats, we see no reason why BBCOR and USA Baseball's bats could not be combined in play for leagues choosing this option. — Dr. Lloyd Smith and Dr. Alan Nathan*

Both tee ball bats and standard youth bats featuring the USA Baseball certification mark are recommended for coach pitch and machine pitch leagues. Coach pitch and machine pitch leagues that permit the use of USABat tee ball bats should only use approved low compression baseballs.

How does this apply to Pee Wees:

Composite and alloy barrel bats bearing the USA Baseball and BBCOR mark are approved for play at the **B String** level. *Please see the approved wood bat guidelines as described above for the use of wooded bats at the B String level.*

Composite and alloy barrel bats bearing the USA Baseball mark are approved for play at the **Coach Pitch, D, and C String** levels. ***Note: Due to the use of standard hard balls at the Coach Pitch level we will allow and enforce the use of standard youth size bats with the USA Baseball mark.***

Composite and alloy barrel bats 26" and below, clearly marked for Tee Ball are approved with or without the USA Baseball mark at the **T-Ball and Coach Pitch** levels.

USA Baseball and BBCOR Marked Bat Barrel Diameters Include:

2-1/4", 2-1/2", and 2-5/8"
